**Brotzeit German Bier Bar & Restaurant**  
If you've got a hankering for German fare, Brotzeit's got the goods in spades. From November 28 to January 2, a number of specially designed platters are available for meat lovers, including the spectacular weihnachts platte (\$688) – a smorgasbord of turkey, ham and bratwursts that satisfy all your Christmas cravings in one go. You're also entitled to two side dishes, which you can pick from the regular menu. We like the napkin dumplings – a traditional German treat. The desserts, in collaboration with Sanrio, feature the cutest puddings you will ever find.
